## Major Projects and Initiatives

\* **HSR NIP - Neighborhood Improvement Plan:** Bangalore is one of the rapidly developing cities in the world. That brings with it many challenges. NIP is a comprehensive development program which address the challenges such as the high volume of vehicular traffic, the lack of pedestrian and bicycle infrastructure, traffic management. NIP brings together all the stakeholders and strives for a holistic solution.

\* **Solid Waste Management in HSR Layout :** Bangalore is going through a massive effort to clean and green the environment. To reduce the amount of waste going into landfills, the garbage is segregated at source and goes to appropriate category such as recycling, compost or hazardous waste. HSR layout is leading the way by constant efforts from the corporator and active residents. Numerous activities and awareness programs are conducted to make HSR Layout a Zero Garbage Ward. Tree plantings along the roads and development of public parks are also undertaken with keen interest .

### \* **Other key Achievements:**

- Day Care Center – for senior citizens
- Hot meals – senior citizens
- Vocational training – classes for women
- Feeder bus service – within the layout
- Garadi Mane – wrestling center to encourage ancient Indian sport form
- Bangalore Temple festival - cultural programmes held every year
